Hi Ruth.

I needed to check with our ethics office about taking this meeting and we can go ahead, although we will be in listening mode only. My Chief of Staff Kelly Watkins will take the lead in getting the right people in our region to attend and she will also be in attendance.
Thanks for reaching out!

Best,

Subject: Clean Air Act Methane and Particulate Proposed Rule

Hello!

My name is Ruth Hund and I am a volunteer with the Colorado Sierra Club. We would like to meet with you, via teleconference, to discuss the new proposed methane and particulate rule under the Clean Air Act. Would that be possible? Please let me know of a convenient time. We appreciate your time and attention.

With Gratitude,
Ruth
